High Voltage Post-COVID Opening Process & Procedures:

High Voltage Karting is committed to providing a safe, healthy, and productive work and activity environment, we believe it is important to share steps we are taking to protect the health and well-being of our staff and guests.

Our team has established action plans to further enhance our existing cleaning, sanitation, and safety protocols. This includes but is not limited to: significantly increasing the amount that we sanitize our "high touch areas" such as, tables, karts, helmets, and common touch areas as well as all of the following:

PRE-RACE/ARRIVAL
